The PRESIDENT (interpretation from French): The Security Council will now begin its consideration of the item on its agenda.

The Security Council is meeting in accordance with the understanding reached in its prior consultations.

Members of the Council have before them copies of a letter dated 23 October 1992 from the Secretary-General addressed to the President of the Security Council.

Following consultations among members of the Security Council, I have been authorized to make the following statement on behalf of the Council:

"The Security Council has taken note of the letter dated 23 October 1992 concerning the situation in Mozambique addressed to the President of the Council by the Secretary-General. It expresses its gratitude to the Secretary-General and to his interim Special Representative for their efforts to ensure that the United Nations contributes to the implementation of the General Peace Agreement in accordance with the provisions of this Agreement.

"The Council remains deeply concerned by the reports of major violations of the cease-fire in several regions of Mozambique. It calls upon the parties to halt such violations immediately and scrupulously to respect the cease-fire and all the commitments entered into under the General Peace Agreement. It also urges the parties fully to cooperate
